Where the creative spirit can grow!

Birthday Art Parties!

Celebrate your birthday at Artworks for Kids with a birthday art party!

You bring the party guests, birthday cake, and refreshments;

Artworks will supply the art projects, art party bags to take home, and fun.

Leave the fun (and mess) to us!

Here's how an Art Party works:

The first 1.5 hours of the party are facilitated by Artworks and creating the art party projects. Then you can take over and have the final 30 minutes to eat birthday cake, open presents, and take pictures. The birthday guest of honor and party guests are sure to leave with beautiful art projects and LOTS of wonderful memories!

The birthday artist receives: Birthday Art Party Bag and Art Projects

Each party artist receives: Art Party Bag and Art Projects

Price of Party: **\$260**
(Price includes 1 birthday artist and 9 guests)
\$10 per additional guest

Call today to plan a birthday party your child will never forget!
